RE: *In Re: Terrorist Attacks on September 11, 2001*, 03 MDL 1570 (GBD) (SN)

Dear Omar and Fred:

I write on behalf of the Plaintiffs' Executive Committees ("PECs") in response to your March 14, 2018 letter requesting that plaintiffs identify for WAMY those document requests "which plaintiffs contend WAMY's production had been inadequate, incomplete or otherwise deficient." As set forth in the Motion to Compel (ECF No. 3911), plaintiffs maintain that WAMY's responses are significantly deficient as to most, if not all, of plaintiffs' document requests, and offer several important categories of documents as examples of WAMY's failure to provide a full, complete, and organized production of responsive records. Plaintiffs also clearly identify the specific document requests at issue for each of those categories. Your March 14 request for information that is already in your possession is therefore puzzling to us. Nevertheless, without limiting the identification of deficiencies already identified in our motion, plaintiffs are once again providing you with the outstanding document requests specifically identified in the Motion to Compel, including additional document requests that fall within those categories.

Eight Categories of Requested Documents:

- Request Nos. 1-8 from Plaintiffs' Second Set of Document Requests Directed to WAMY-SA.

Further, to the extent that WAMY claims to have fully complied and produced all responsive documents falling within any of the identified categories in plaintiffs' Motion to Compel, please identify those circumstances as well.
